- Please ensure you have the latest version of Zoom downloaded
- You will be invited to join your breakout room of choice at the start of each talk
- Please ensure you know which breakout room you would like to join
- Please try to be on time for each talk, out of respect for the presenter and colleagues
- If you have an item for the AGM, please email them to chair@imtacouncil.com on or before Wednesday November 18th
- Please consider joining the National Council and working on behalf of fellow maths teachers around the country
- If you would like to be considered for a position on council, please let us know asap by using the email address above
- Have an enjoyable day

Ciarán Duffy,

Chairperson 20/21
